

## SNACK BAGS

Please Use 1 Gallon Ziploc Bag

**All items should be individual serving size, individually wrapped and commercially prepared.**

### Suggested Items:

- **Campbells Soup or Kraft or Velveeta Mac and Cheese in microwaveable container**
- **Pretzels (Do not include chips due to short expiration period and easily crushed)**
- **Cookies**
- **Crackers**
- **Granola Bars**
- **Pudding or Fruit Cup**
- **Microwave Popcorn**
- **Small (8oz) Bottle of Water**
- **Napkin (neatly folded) and Spoon or Fork in a small Ziploc bag**

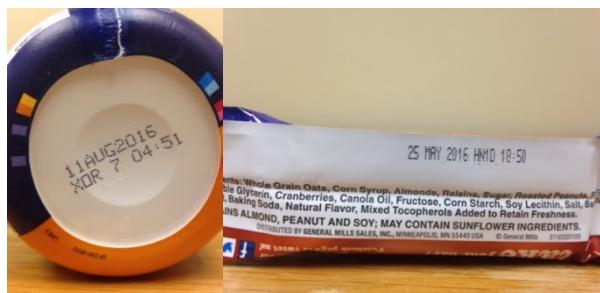

These are suggested items. It is not necessary to put all items above in snack bag **but please include highlighted item in each bag.**

**Sample bag: microwaveable soup, pretzels, granola bar, cookies, bottled water, Ziploc bag with utensils**

### Important Information:

- **Each item in bag must have an expiration date included on item. Please complete and include a Snack Bag Expiration Date Insert in each bag you assemble. Children's Healthcare of Atlanta requires this information. Any item in the bag without a date on the item will be removed before delivery to the hospital. Because bags are delivered to the hospital as needed, please consider including items with later expiration dates.**

- *No peanuts, peanut butter or food items containing peanut butter.*
- *These bags are for the parent/caregiver of the patient in the hospital.*

*Groups can include homemade cards inside the bags as well. Please do not include any religious messages or symbols. Per Children's Healthcare of Atlanta guidelines, we will have to remove any cards with religious messages before delivering to the hospital. Also, please do not use phrases such as "Get well soon." Consider phrases such as "We are thinking about you" or simply drawing a picture. Families need smiles so you can also include silly jokes (appropriate for children of all ages) on the cards.*

*Deliver completed snack bags to the CURE office located at 200 Ashford Center North, Suite 250 Atlanta. Office hours are 8:30am – 5:30pm but please email or call to confirm delivery date and time.*

*Many thanks for making a difference for the family that will receive your Snack Bag!  
If you have questions, please email Lisa Branch at [Lisa@curechildhoodcancer.org](mailto:Lisa@curechildhoodcancer.org).*
