Benefiting the Carter Martin Fund at CURE Childhood Cancer

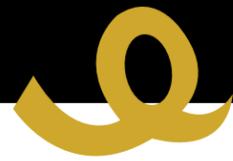

PIGGY BANK BASH - THE *WHY*

“Mom, get my piggy bank and give all of the money to childhood cancer so no other kid has to suffer like me.”

In his dying days, Carter Martin had a vision – he challenged the coins in his piggy bank in the fight against childhood cancer. Some fifteen years after Carter’s death, his legacy continues to be a driving force due to thousands of people emptying their piggy banks and writing checks for amounts way beyond what Carter would have ever imagined. However, we still have much work to do for all children to be cured.

The annual Piggy Bank Bash celebrates Carter’s life while raising critical funding to support CURE Childhood Cancer’s Precision Medicine program. Precision medicine offers hope to children who need it by focusing on less toxic, individualized treatments based upon each child’s genetic makeup. Where traditional cancer treatment has failed, and treatment options are limited at best, precision medicine offers a new opportunity. It offers hope for a cure. In time, we believe this individualized approach to cancer treatment will become the standard of care for all children with cancer, saving lives and preserving lifetimes by minimizing the effects of today’s highly toxic therapies.

Carter envisioned a cure. We hope you will partner with us in supporting CURE Childhood Cancer and helping to make Carter’s vision become a reality for all children with cancer.

NEW THIS YEAR

In conjunction with the Piggy Bank Bash, a golf tournament has been added to this year's event. Sponsorship of the Piggy Bank Bash will include a number of player slots for the inaugural Golf Fore a CURE. Both events will be held on the same day at the beautiful Savannah Country Club. After a round of golf on the scenic Wilmington Island course, join us later in the evening for the incredibly fun and meaningful Piggy Bank Bash.
