

CURE Crew Application

Thank you for your interest in CURE’s CURE Crew. The purpose of CURE Crew is to offer high school juniors and seniors the opportunity to support CURE through fundraising, volunteering, and advocating with the leadership and guidance of CURE’s staff. Students will benefit by earning community service hours by engaging in structured fundraising and service opportunities that will provide them with meaningful life skills and compassion for an underserved population. At the same time, CURE will benefit by having students in the community sharing CURE’s mission and vision.

CURE’s Mission	To conquer childhood cancer through funding targeted research while supporting patients and their families.
Our history and focus	Since our establishment in 1975 as a grass-roots organization, CURE has focused its efforts on improving the care, quality of life, and survival rate of children with cancer. The founders, parents and a dedicated pediatric oncologist, joined forces to support laboratory research that would translate into immediate care for children with cancer. Since that time, CURE has raised millions of dollars to fund cutting edge research at the Aflac Cancer Center Blood Disorders Service at Children’s Healthcare of Atlanta, Emory University School of Medicine and other leading institutions around the nation. Through innovative programming, CURE also provides support for stricken families, aiming to address their critical and urgent needs. Locally, we provide support for pediatric oncology patients and families at The Dwaine and Cynthia Willet Children’s Hospital in Savannah.
Term of service and age preference:	1-2 years of service Rising Juniors and seniors
Selection Process	Applications should be returned to Vice President, Mandy Garola at mandy@curechildhoodcancer.org or mailed to 107 Chriswoodell Drive by May 14, 2022.
Meetings:	Meetings will be held every other month of CURE’s fiscal year. We’ll do our best to accommodate the schedules of members and we ask that members to their best to be in attendance.
