ABOUT THE EVENT

Join CURE Childhood Cancer's Young Professional Leadership Council at Cocktails & CURE on **June 1, 2024** at **Monday Night Garage**. This exciting event brings together a community of passionate young professionals dedicated to making a difference in the lives of children battling cancer. Nearly 500 guests will enjoy **signature cocktail stations, heavy appetizers, a DJ and dancing, and an open bar** – all while raising funds for childhood cancer research.

Monday Night Garage is a local brewery in the heart of the historic West End of Atlanta. Monday Night Garage is a fully functioning production brewery that offers expansive space overlooking the Beltline, making it the perfect setting for an event like Cocktails & CURE.

Don't miss out on this chance to be part of Atlanta's most happening affair, where philanthropy meets entertainment.

WHY BELIEVE IN CURE?

Cancer is the leading cause of death by disease in children. Yet the federal government allocates **less than 4%** of its research funding to solving cancers that affect children.

CURE is dedicated to **conquering childhood cancer** through funding targeted research while supporting patients and their families.

Over the past decade, CURE has directed more than **\$43 million** into the best, most promising research aimed at helping children with cancer who need us now. We are a leader in advancing Precision Medicine, the most promising approach to treatment of children with cancer in decades.

For the 15th consecutive year, CURE has earned a **four-star rating**, the highest possible, from Charity Navigator, America's premier assessment organization for sound fiscal management, accountability, and transparency.

"Only 1% of the charities we evaluate have received at least 15 consecutive 4-star evaluations, indicating that CURE Childhood Cancer outperforms most other charities in America. This exceptional designation from Charity Navigator sets CURE Childhood Cancer apart from its peers and demonstrates to the public its trustworthiness."

- Michael Thatcher, CEO, Charity Navigator
