Catie's Gathering is an inspiring event benefiting Catie's Fund of CURE Childhood Cancer. Founded in memory of sweet Catie Wilkins, this special dinner features unique table decorations, silent and live auctions, and focuses on raising important funds to support CURE's mission.

The funds raised are invested in CURE's research initiatives – specifically, our Precision Medicine Program, which focuses on individualized treatments based on each child's genetic makeup and is used to support patients and their families in their fight against childhood cancer.

Founded in 1975, CURE is dedicated to conquering childhood cancer through funding targeted research while supporting patients and their families.
