ABOUT CATIE'S GATHERING

Catie's Gathering is an inspiring event benefiting Catie's Fund of CURE Childhood Cancer. Catie's Fund was created by Tré and Jenny Wilkins in memory of their daughter, Catie Wilkins, with one powerful purpose: to improve outcomes for children facing cancer. Established in 2007 as a named fund of CURE Childhood Cancer, Catie's Fund honors her battle by advancing life-saving pediatric cancer research and supporting families through every step of their journey.

At the heart of this mission is Catie's Gathering, an unforgettable event, best known for its uniquely themed tablescapes, where hosts and hostesses pour creativity, imagination, and care into creating one-of-a-kind tables for their guests. From whimsical and elegant to bold and over-the-top, each table becomes a work of art and a reflection of the passion behind this cause.

Beyond the beauty and excitement, Catie's Gathering brings together a community determined to change lives. This often sold-out evening blends music, auctions, raffles, laughter, and inspiring stories from children and families facing pediatric cancer with extraordinary courage. By partnering with Catie's Gathering, sponsors become part of a beloved tradition that brings people together through compassion, creativity, and purpose, all while making a tangible difference for children fighting cancer.

WHY BELIEVE IN CURE

Cancer is the leading cause of death by disease in children, and diagnoses are on the rise. Yet the federal government allocates a mere 5% of its research funding to focus on pediatric cancers. CURE stands in the gap – funding targeted research that will save lives and give children their best chance at a bright future.

In the last 10 years, CURE has invested more than \$48 million in lifesaving research focused on helping children with cancer who need us now. CURE is a leader in advancing precision medicine, the most promising approach to the childhood cancer treatment in decades.

CURE also supports families devastated by childhood cancer through programs designed to meet a family's emotional, practical, and financial needs. From emergency financial assistance to meals and counseling, CURE is committed to walking alongside families throughout their cancer journey.

For the **18th consecutive year**, CURE has earned a **four-star rating**, the highest possible, from Charity Navigator, America's premier assessment organization for sound fiscal management, accountability, and transparency.

"Only 1% of the charities we evaluate have received at least 18 consecutive 4-star evaluations, indicating that CURE Childhood Cancer outperforms most other charities in America."

- Michael Thatcher, CEO, Charity Navigator
